If you find that you fall within these guide lines, please email our office at info@campssankanac.org to request the application form. Once you receive the form, please follow enclosed instructions carefully and provide all information as requested. If you are on food stamps, you will need to provide your 2 digit county code and 7 digit case number on the application. This number is different from the number on your access card and can be found on the monthly letter you receive from the assistance office. If you are unable to locate the 9 digit number, you will need to contact your case worker. The form will not be accepted without it, if you are on food stamps.

We hope this information is helpful to families who are in need of assistance through the Summer Food Service Program. Should you have questions, please contact our office at 610-469-6320.
