

HORSE DAY CAMP

Parent Information

Camp Sankanac horse camps are run by equestrian professionals Erin Hails (Brick Lane Stables) & Diana Shirk (Silver Lining Farm) and their experienced staff. Erin and Diana both have many years' experience and look forward each summer to working with the campers in improving their confidence, knowledge and experience around horses and in their riding skills, no matter their experience! The campers will be learning grooming, tack, feeding, general care, safety, general equine anatomy and riding techniques all while having a blast in our beautiful setting here at Sankanac.
