

# HORSE CAMP PARENT INFO

Thank you for registering for our Horse Camp program! Our experienced and well trained staff team up with Erin Hails, director of Brick Lane Stables, to create an equestrian camp experience that your child is sure to enjoy. This year all programming will be done right here at camp in our very own Sankanac stables! As we prepare for camp, it is our desire and goal to provide an atmosphere that will make your child stronger...stronger physically in her skills as a rider, stronger emotionally as she grows in confidence in her riding and in building relationships with others, and stronger spiritually as she learns more about God in the peaceful and focused outdoor setting of Sankanac.

Here is some important information as you prepare for your child's experience at Sankanac...
