

2021 HORSE DAY CAMP PARENT INFO & PACKING LIST

Thank you for choosing Camp Sankanac for your child this summer! As we plan for camp, our desire and goal is to make it the best possible experience for your child in a safe, God honoring, outdoor environment. We trust and pray that each camper will return home stronger...stronger physically from the outdoor setting and challenging activities, stronger emotionally as they grow in confidence and build relationships with new friends and counselors, and stronger spiritually as they have the opportunity to learn more about God in a peaceful and focused setting, without distraction. We can't wait for summer! Here is some important information that will be helpful as you plan for your child's Sankanac experience...

****This information, in terms of our handling of Covid-19, may change between now and summer. We will be updating those who are registered with any changes that may need to be made. We are hoping that many of the Covid-19 restrictions will have been lifted by the time summer comes, however, at this time we plan to operate very similarly to last summer. But also understand that things may change depending on the course of the pandemic and governmental decisions, and we will keep you informed.**
