Camp Sankanac is a non-denominational, Christian camp located along the French Creek in northern Chester County, Pennsylvania. # TO KNOW CHRIST AND TO MAKE HIM KNOWN

## SPIRITUAL THEME † Knowing Christ

Christ died for our sins and was raised from the dead! This is the good news of the Gospel of Jesus Christ, and it changes everything! We can't wait to study God's Word (the Bible!) and learn about the great things Jesus has done and is still doing and how He offers eternal life to everyone! Jesus offers us salvation, but not only that, for those who believe He is also our friend, walking with us through all of life...the good and the bad! Even though life can be tough sometimes, there is great hope in walking with Christ, and we want to share that hope with others! In a world full of brokenness, loss, lies, and division God's Word holds the ultimate remedy for it all...JESUS! We want to make the truth about Jesus known to everyone around us because He is the only answer for a broken and hurting world! We can't wait to dig into God's Words to us from the book of Acts and get To Know Christ & Make Him Known!

## Overnight Boys' Camp and Girls' Camp | Ages 7-16

Get ready to have the best week of your life! Challenges from God's Word, crazy activities, great friendships with peers, and an awesome, Christ-centered group of staff make for a week you'll never forget! Overnight camps run from Sunday afternoon (check-in is 3-5pm) through Saturday morning (pick-up is 8:15-9:15am). We offer 4, one-week sessions for boys and 4, one-week sessions for girls. Our overnight camps are divided into 3 different villages: Creekside (7-10yo), Pinesite (11-13yo) and Cliffside (14-16yo). While we do some things together as a whole camp (eating, some activities, some sessions), we have divided the campers in this way so we can provide age-appropriate instruction, Bible teaching, and interaction with other campers. Campers enjoy tons of fun group activities with their village and also have the opportunity to choose their own individual morning activities; selecting from a wide variety of fun and instructional "electives" that are taught by the counselors. For a general daily schedule, please visit the website. Check out the activities below for a small taste of what your summer could look like at Camp Sankanac! We can't wait to see you this summer!

If you are 16 years of age (or have completed 10th grade) and are considering a future in leadership or summer camp counseling, we highly recommend this program! The CIT program is 3 weeks of hands-on leadership training and offers beneficial experiences and helpful preparation for a future leader. The first two weeks of training focus on spiritual growth and developing counseling skills as you prepare for the last week which consists of staying in a cabin and assisting counselors with younger campers and program related tasks. This program really gives you a taste of what summer camp counseling (and ministry in general) is all about. Whether you are looking at a future in summer camp ministry or any kind of leadership, this program is the perfect way to prepare and looks great on your future college application or resume!
