Attire...

It is recommended that campers wear jeans with stretch or leggings for riding each week. T-shirts, long sleeve shirts or sweatshirts/jackets may be worn depending on the weather. It is recommended that campers bring rain gear if the weather calls for rain. It may get cool in the evenings so a jacket or coat is a good idea.

Thank you for choosing Camp Sankanac!

Thank you for choosing Camp Sankanac for your child! As we plan for this program, our desire and goal is to make it the best possible experience for your child in a safe, God honoring, outdoor environment. We trust and pray that each camper will return home stronger...stronger physically from the outdoor setting and challenging activities, stronger emotionally as they grow in confidence and build relationships with new friends and staff, and stronger spiritually as they have the opportunity to learn more about God in a peaceful and focused setting, without distraction. We can't wait to host your child!
