

## **Day Camp Readiness Agreement...**

Our day camp program is a wonderful way for campers to stay active, experience the outdoors and to grow through new (age appropriate) challenges and activities. Our focus is to keep our day campers engaged in learning, fun, outdoor exploration and, most importantly, God's Word. The day includes lots of outdoor activity/play, pool time, lots of walking and tons of fun. Our team of well-qualified staff are always happy to assist our campers with transitions, offer guidance, instruction, enforce safety and offer our campers the best of care. However, there are some things that campers need to be able to do on their own while they are here. If your camper is on the younger side and you're wondering if they are ready for this experience or not, it will be helpful to consider the following questions...

1. Can my child use the toilet appropriately, without reminders and completely independently?
2. Can my child change out of their clothing into a bathing suit and back again from their wet bathing suit into dry clothes completely independently? Can they take their own shoes/socks on and off?
3. Can my child handle long stretches of walking throughout the day, sometimes over rugged/diverse terrain?
4. Can my child carry their own backpack and personal items?
5. Can my child engage appropriately with other children?
6. Does my child readily follow instruction and actively participate in group activities?

*Please sign in agreement to the following statement:*

*Yes, to the best of my knowledge and experience with my child, I believe my child is ready for this program. By signing below, I state my understanding that if my child has trouble with the functions listed above, they may not be able to complete the program as scheduled (a pro-rated refund would be offered, excluding the deposit). I also understand that my 5-6 year old will be placed in a group with other 5-6 year olds for a portion of the day so as to enjoy age specific programming (pool, lunch and group activities will still be enjoyed with the rest of the day campers). Buddy request for campers who are not 5-6 may not be accommodated. Please email us at [info@campankanac.org](mailto:info@campankanac.org) with any questions.*

*(Parents will sign online as part of the online registration process.)*
